

## Request for Bidsô Class-size training / Contract Funded / Construction Skills Training

The Workforce Connection, Inc., the workforce board, serving Boone, Stephenson and Winnebago counties, is soliciting bids for Short-term Prevocational Services from eligible training providers, to offer Class-Size training for Construction Skills curriculum that integrates vocational and academic skills training in the trades. Training will include employability skills and career development. Training competencies should include:

1. Building trades safety and First Aid
2. Construction Math
3. Tools & Construction materials
4. Employability
5. Green Building
6. Competency Skills in one of the following areas:
  - a. Carpentry
  - b. Electrical
  - c. Plumbing
  - d. Masonry
  - e. Painting & Finishing
  - f. Facilities Maintenance
  - g. Weatherization

Please provide information regarding any industry recognized certificates, licenses or credentials. Provide information regarding classroom and hands-on training sites.

Bids are currently being accepted to provide training as needed through June 30, 2018.

Please see the attachment containing the RFB requirements and Bidders form. Bids for training must be submitted by 4:00 pm May 3, 2018. Questions about this Request for Bids may be directed via e-mail to Valerie Johnson, [vjohnson@theworkforceconnection.org](mailto:vjohnson@theworkforceconnection.org)
