2017-2018 Refund Policy

As Saint Anthony College of Nursing incurs expenses in advance for the entire academic year, a refund schedule has been developed to reflect an equal sharing of the loss when a student withdraws. Students who officially withdraw from all courses enrolled at the College or who are dismissed will be able to receive refunds according to the following schedule:

Semester Week of Withdrawal	Per Cent of Tuition
Prior to the beginning of semester	100
End of week 1	90
End of week 2	70
End of week 3	50

NO REFUNDS ON SUPPLIES OR FEES.

In order to receive the appropriate refund, a student who wishes to withdraw from the College must follow the "Withdrawal from the College" policy and procedure located in the [Catalog/Student Handbook](#).

The beginning of each semester is defined by the academic calendar and NOT individual course start dates. No refunds will be granted after end of the third week of the semester. For courses that run more or less than 16 weeks, the refund would be prorated accordingly.

BSN students who drop one or more courses, but maintain full-time status, are not eligible for a tuition refund. Student who drop below full-time status (<12 credits) prior to the first day of the semester, will have their tuition calculated as a part-time student (per credit hour), less any non-refundable deposit or registration change fees. Students who are full-time as of the first day of class, but drop a course or courses resulting in less than full-time status during the refund period, will have a refund calculated on the basis of the difference in the full-time and new enrollment status (per credit hour) and the refund percentage listed above.

In order to receive the appropriate refund, a student who wishes to withdraw from the College must comply with the "Withdrawal from the College Policy and Procedure", which is located in the [Student Handbook](#).

Financial Aid Recipients

This policy may be superseded by any federal and/or state mandate (i.e.: Title 34, Section 668.22 Department of Education Federal Regulations) necessary to remain eligible for student financial aid programs. **ANY REFUNDS OR REPAYMENTS ARE MADE TO THE FINANCIAL AID PROGRAMS FIRST.** Any financial aid proceeds given directly to the student prior to the refund date may be subject to repayment by the student.
