

The Workforce Connection offers opportunities for you to increase and enhance your workforce as you need! Our Work Based Learning programs offer you the chance to hire, train, and, retain employees with funding for their wages.

Paid Work OPPORTUNITIES

Work Based Learning programs could be right for your business!

Work Experience (WEX)

The Work Experience program provides employers with pre-screened candidates who need new or recent job experience and can fill a role at your business temporarily.

- The Workforce Connection pays all wages, taxes, and associated costs, including workers compensation.
- We work with you to design a training and employment plan for the participant.
- They work for up to 25 hours per week for up to 350 hours.
- You are welcome to hire them upon completion, yet not required to do so.

On the Job Training (OJT)

The On-the-Job training program provides employers with candidates for your positions that may need some training to master the expectations of the position.

- Your business hires the participant and The Workforce Connection will reimburse you for up to 75% of wages for the training period.
- We work with you to design a training and employment plan for the participant.
- The participant works full time for your business at the hours/shifts that work for you.

Apprenticeship Programs

An apprenticeship program is a work-based learning model that consists of on-the-job training, along with job-related education, while apprentices earn wages and gain skills

- We work with you to develop customized training which results in highly skilled workers that are trained to your employer specifications.
- Create a stable talent pipeline for attracting and growing your own through an apprenticeship program that will increase productivity and knowledge transfer.
- By providing an apprenticeship program you may be eligible for tax credits and other funding resources to offset costs.

Contact one of our Business Services Specialists today for more information and to determine which program is right for you.
